Yeh!!! We were able to help get children an education because we reached our target of \$45 at our last Getaway4kids program in May. Thankyou for your support, please continue to help us reach new goals and help families and children overseas in one of the targeted areas we are supporting through TEAR Australia.

Cadbury fundraising chocolates will be on sale from the café for \$1.20 each. The profit from these will go toward the running costs of the program.

Please consider staying and having a cuppa (by donation) and taking advantage of quality coffee, tea, or hot chocolate. Our café volunteers make a great espresso!

We have tried to make the Getaway program as cheap as possible, and are encouraging the kids to take a little extra money to help people around the world who miss out on some of the things we take for granted. Clean drinking water, the chance to go to school, the opportunity to earn a living.

So we have a donations bin and 3 projects we are raising money for—each project can be displayed at the information table and the progressive total on the poster.

Let's help the kids around the world with our spare change.

Check out the info on the information table to see how this will help others

NEW INFO (THE COW becomes A GOAT)

Due to changes in the projects at TEAR we will be changing our 'Cow' project with a target of \$300 to a 'Goat' project which costs \$50. This is due to the previous project no longer being offered. So we expect to see a goat added to our successful projects by next time!

dinner

It's getting cooler... Don't forget we have a free sausage sizzle from 6pm till 6.30 each Getaway night. This is not just for the kids but open for the whole family. So come and join us and grab a great cuppa while you're here.

prizes

When the kids arrive at Getaway4Kids, they will be signed in and get a sticker to put on their attendance chart.

When they have achieved 10 stickers, they will get a prize.

The kids can get extra stickers for the chart, and speed up the time it takes to get a prize by inviting their friends. For every friend that comes for the first time, an additional sticker will be given for their chart.

So get out there and invite some friends for a great time, and start collecting the fantastic prizes we have on offer.
