

We have 4 weeks left of **Getaway4kids** this year.

We will finish on Friday 27th November with the Premiere of our own movie 'This Child'

We will be making the movie over the next 3 getaway nights and it's going to be so much fun, and then the final night will be open for families and will include the viewing of the movie, but also the kids and families will be able to play mobile laser skirmish and have dinner and a party with all of us.

There's something for everyone to do including:

Actors, singers, photographers, artists, designers, costume makers, .....

And the whole story is going to be set up week by week and videoed so even the kids wont know what the end product will be like until we present it on the final night.

There are going to be heaps of other activities going on each week also, but everyone will have a role to play on the movie set, even if it isn't in front of the camera!

Heaps of prizes each week with the colouring competition back each week!

Check out our website [www.riversidechristian.org.au/youth.htm](http://www.riversidechristian.org.au/youth.htm) for more details on what is involved in the show including the script that can be viewed online.

We will even be recording some music and prerecording the speaking bits to add to the movie which will be really exciting

**We need everyone first week 9th October to get the show underway and the main acting roles sorted out.**
